Vienna, December 11, 2024

## **NOTICE**

### **about your application for admission to the course**

Your application dated June 29, 2024 for admission to the Master's program in Computational Science will be decided as follows:

### **saying**

All requirements for admission to the requested course of study have been met. The application is hereby approved and admission is hereby granted.

For the course of study applied for, proof of German language skills according to level A2 of the Common European Framework of Reference for Languages was not required, as the course is held in a foreign language.

The legal situation applicable at the time of actual approval is decisive.

### **Reason:**

The justification could be omitted because the application was granted in full.

### **Legal basis:**

§ 60, § 63, § 64 para. 3 University Act 2002, Federal Law Gazette I No. 120/2002 as amended.

Md Yunus Ali Rony

### **Legal Remedies:**

An appeal against this decision may be lodged with the Federal Administrative Court. The appeal must be submitted in writing within four weeks of the delivery of this decision, either in the following form: by post to the Admissions Office, Universitätsring 1, 1010 Vienna or by fax to + 43-1-4277-9121 or electronically by email to [rechtsmittel.zulassung@univie.ac.at](mailto:rechtsmittel.zulassung@univie.ac.at) . The complaint must contain the following information: reference number of the decision, request for amendment and substantive justification on which the allegation of illegality is based, further information on the timeliness of the complaint and a handwritten signature (alternatively an electronic signature for citizens of EU/EEA member states). If you enclose further documents with the complaint, these must be submitted as a notarized copy or in the original and, in the case of transmission by fax or email, as a scan of the original or of the notarized copy. Documents that are not issued in German or English must be translated by a recognized translation agency. The respective certification regulations apply to documents that were not issued in the EU/EEA. For the timeliness of submission by email or fax, please note the announcement on the Studying at the University of Vienna website.

For the Rectorate:

Philipp Jung

Md Yunus Ali Rony

**A notice:**

After being admitted to the Master's program in Computational Science, you must contact the Physics Study Service Center so that your study path can be entered. Without this registration by the SSC Physics, registration for courses is not possible.
